

## “Building A Park For Our Canine Companions”

Dear Business Owner/Residents:

The Allamuchy Dog Park Committee is currently in the process of planning our 2<sup>nd</sup> annual tricky tray which will be held on March 31, 2017 at the Allamuchy Fire House located at 284 Alphano Road, Allamuchy, NJ. For this purpose, we are requesting donations of merchandise, gift cards and monetary gifts to make this event successful.

The funds we raise will benefit Allamuchy as well as surrounding towns with the construction of a dog park. The park will be one acre in size with small and large dog areas. A card reader will be installed to limit access to only animals that have proper vaccinations. The monies raised will be used for land preparation and fencing. (Phase 1)

This park will provide a safe environment for our canine companions as well as their owners. Having such a place provides a social meeting ground for all. To date, fundraising has gotten us enough money to break ground. We are hoping this fundraiser will get us to the complete of Phase 2.

We are a non-profit organization. As a committee, we are looking for your help in making this a success. Your consideration is appreciated. If you have any questions, please call Lisa Lomonaco @908-852-5808 or 908-343-6189. Email is [sarabi1@optonline.net](mailto:sarabi1@optonline.net). Thank you in advance for your support.
