

Recreation Commission Meeting Minutes

Tuesday, February 13, 2018

Director, Michael Pucowski, called the meeting to order at 7:39pm.

Present were Commissioners: Chris Rosa, Candy Church, Jeff Feldman, and League Representative, Rosemary Tuohy

Absent were Commissioners, Chris Hall, Manny Quinoa, and Secretary, Gina Tarascio

We will vote on last month's minutes next month.

Basketball: Everything is going smoothly. Season is ending in a couple of weeks.

Soccer: Jeff said nothing to report. Everything was paid out. Soccer registration will open Monday, February 26th for K-2nd.

Softball: Closing registration next Wednesday. We have about 20 girls signed up so far. We will probably need another 20 girls. Michael went to the first meeting and it went well. We tried to change some rules, and they didn't bend.

Baseball: We had three baseball clinics so far that went very well at the Great Meadows school. We also had a major league scout come in this past Saturday to go over the finer points of pitching for coaches and players. Registration is still open. We have about 121 kids signed up. Baseball draft is going to be March 12th at the Independence Fire House. March 25th at 5:30 we have a coaches meeting. We would like to use the PVPOA because they have access to Powerpoint. Memorial Day weekend, we are going to have a bus trip to Yankee's Stadium like we did last year. It's \$60 for a ticket and bus ride. Before the game, the kids get to go on the field. Home plate on the far field is crooked. Maybe if we build up the clay, it might help it.

Playground: It is still locked. It will not be open until March. We are going to need more mulch.

Dog Park: They are working on ordinance tomorrow night at workshop. We can't do anything until ordinance is passed. We are hoping to open April 21st.
