### WHAT IS NEW FOR 2025?

**Sanico Inc** is a locally owned garbage company that has been servicing Warren County and surrounding areas for over 50 years. We are pleased to be adding Allamuchy Township (trash and recycling) and Panther Valley POA (recycling only) to our growing list of customers beginning in 2025! Please see below for some important information and changes taking effect in 2025:

- all residents will be provided Sanico Carts for their trash and recycling (only rec inside PV)

- carts will be delivered starting mid December

- one section of Panther Valley (yellow zone) will shift to an alternate every-other-Friday schedule for recycling pickup. See the list to the bottom left and the calendar on the reverse for correct pickup dates

- residents north of Rt 80 will now have both their trash and recycling picked up on Thursday

### SAFETY ALERT!

Help us keep our drivers safe!

Our Recycling carts are specially designed to work with our trucks to allow for a safer and more efficient pick up. Please put all of your material inside your recycling cart. If you don't have a blue lid recycling cart, please call our office to request one.

### A NOTE ABOUT CARDBOARD

Cardboard boxes must either be fit inside your recycling can, or they must be flattened and bundled (3ft x 3ft) and placed to the side of your recycling can. This keeps them from blowing away and also allows us to fit everyone's cardboard onto the truck.
